

## Iron County Register

IRONTON, MO. - APRIL 28, 1910.

E. D. AKE, EDITOR.

VOLUME XLIII. NUMBER 46.

For Congress.

We are authorized to announce EDWARD ROBB, of Perry County, as a candidate for Congress from the 13th District of Missouri, subject to the Democratic Primary Election.

County Graduating Exercises Saturday, May 7, 1910.

The parade by the children of the county will start at 2 p. m. from the Ironton public school building, led by the Baptist Boy's Band.

The essay contest, at the Academy of Music held at 3 p. m., promises to be of much interest to everybody. There is nothing worth more to the boys and girls than to be able to express their thoughts in an interesting and intelligent way, and those who succeed in capturing the prizes in this contest may ever be proud of their efforts.

After the contest is over there will be a match game of basketball on the Ironton basketball ground east of the public school building.

At the Academy of Music at 7:30 we will continue the exercises.

The recitation contest promises to be very interesting.

Prof. R. H. Emberson of the State University will deliver an address on "The Improvement of Our Rural Schools." If you are interested in the education of our boys and girls, come and hear them. At the close of this address the diplomas will be presented and the prizes distributed.

Let every boy and girl in the county be a committee of one to solicit their friends to come, and if you are one of the graduates see to it that your parents and friends are here. There is not a father or mother in the county who is not interested in the education of their boys and girls, but sometimes it takes a good deal of urging to get them to see that it takes some active efforts on their parts to encourage the pupils to do their best work.

Everybody is cordially invited. We want you to come and help make this first attempt at county graduation a success.

Respectfully,  
B. P. BURNHAM.

### Annapolis News.

This town is on the quiet order and has been for the past week.

James Dean of Des Arc has moved to our town.

Plenty of ties coming in.

A gang of colored men here loading out Ed Summers' ties.

The railroad has ordered all the fencing around switches removed, which adds much to general appearance, but why keep up the cattle guards with no fencing?

James Kelley is home to see his folks. He is working for A. Reese on the Leeper road.

Miss Lou T. Webb intends moving to her mother's at Ellington this week.

Esquire Kitchell is going to Ironton to-day as a witness in the Albridge case and will, in all probability, bring a bride home with him. It will be a little tough on J. M. Hawkins, but we are sure he will keep his promise to furnish a marriage license and minister free for the occasion.

It snowed the 23d and 24th. A big snow for the time of year. Some people had just plowed their corn over.

Fred C. Kitchell had a finger cut off while coupling cars at Hoxie, Ark., April 18, and is now in the Missouri Pacific Hospital, in St. Louis.

A number of people from here subpoenaed as witnesses in circuit court this week.

Sylvester Kitchell of Annapolis, Missouri, and Dacey E. Henson of East Ironton, Mo., were united in the bonds of matrimony at her home, April 25, 1910, at 7:30 p. m., Rev. Wm. Huff, of Vulcan, Mo., officiating.

BULLETIN.

### Sabula Items.

We are having good old winter time instead of good old summer time. We have had an ideal winter day to-day.

C. Collins was in Ironton Friday on business.

Roy Criss came down to Sabula Saturday night from St. Louis, looking after the interest of his father's farm here.

Mrs. C. Collins and daughter, Hazel, spent the day Friday with H. Collins and family.

Miss Mayme McHenry visited the Misses Collins a few days last week.

Hartford Collins, Jr., of Arcadia, has been in this district the past week taking the census.

H. Collins and son, Willie, went to Ironton Thursday on business.

The pie supper given at the school house for the benefit of the church was quite a success, although it was a disagreeable night. It was so cold there were not many in attendance. The net proceeds were \$12.85.

The church building will soon be completed.

Mrs. Noma Dunn was in Des Arc last week teaching a class in painting.

Mrs. A. E. Shy visited Mrs. Jno. Brewer at Annapolis a few days the past week.

J. T. Dunn and family, of near Sabula, spent Saturday evening with relatives in town and attended the pie supper.

Quite a crowd from Annapolis attended the pie supper here Saturday night. The writer did not learn their names, but come again, boys, and bring your wives and

best girls next time. The more the merrier.

Mrs. Etta Willett, of Carver Creek, was in town shopping last week.

Mrs. W. E. Crosian and children have returned from Bismarck. Mrs. Mary Brown spent Sunday with Mrs. A. C. Counts.

Mr. Heaton, from Chloride, will commence a dwelling for Mrs. Brown Monday morning.

Bro. Chas. Davis, from the Holiness College at Des Arc, stopped over night in Sabula one night last week on his way to Centerville to assist Bro. London and wife in a singing school.

Rev. W. W. Strother and wife, of Des Arc, went out to Sutton & Stevenson's mill Saturday to hold meeting and several were to be baptized to-day.

Lute Cory and family spent the day with Mrs. Brown Monday.

There were some few out of town that had promised us a donation for the church, and now is a good time for them to lend a helping hand as there will be considerable money for us to raise in a short time; and anyone that wants to help us can kindly send in their donation at once, or as soon as they can. MARTHA.

Miss Marie Rodach was in the city last week.

Several of the stone cutters contemplate going to Wisconsin in the near future. Too bad we have no work here for the men.

Mrs. Wm. Trauernicht visited relatives in Middlebrook Sunday.

Mrs. Carrie Blue Tolleson came down from St. Louis Saturday enroute to Graniteville.

School closed Thursday, and the teacher and pupils went on a hay ride to Iron Mountain lake Friday for a picnic. Notwithstanding the rain, all report a fine time, and only wish that they could say "au revoir" and not good bye, to the teacher and school days.

Miss Fitzpatrick, we regret to say, will not teach any more. Our old teachers gradually drop out and leave places for the new ones. The closing exercise at school Thursday afternoon was good and all expressed regrets that their teacher was leaving them.

X.

Well, Mr. Editor, after a three weeks' skip in our correspondence, we will endeavor to give you a few happenings of this vicinity.

N. W. Adams possesses a very fine mule colt, also S. L. Brooks ditto.

Sunday was such a disagreeable day that there were no church services at Goodland.

A dandy horse trade took place lately between two of Uncle Sam's trusted employees, Mr. Claud Carl and Ulysses Wilkins, both mail carriers. It's hard to tell which has the worst horse now.

### Obituary.

Died—At her home near Fredricktown, April 7th, 1910, Mittie Reagan Shanley, beloved wife of Edward Shanley, aged 39 years, 8 months and 21 days. She leaves a husband and four little children to mourn her loss; also three brothers and three sisters, father and mother, and a host of friends, who hope to meet her in the realms beyond where there is no more pain or sickness.

She became a member of the church when only a child of 13 years. She has always lived a true Christian life till our loving Master bid her come up higher. Oh how sad it was to see her take her last breath. Loved ones, in your sorrow remember, our loss is her eternal gain and heaven is richer for her presence. Then think of her as an immortal flower, taken from earth to bloom in the sweet fields of Eden.

'Tis so sweet to walk with Jesus  
Step by step and day by day,  
Following closely where he leads us,  
Walking with him all the way.

A LOVING SISTER.
